Lord, How do we Pray? Read Matthew

Pray for God’s plan to be revealed as we watch and listen for signs of God’s *will for our lives* and trust in Him for our *daily* nourishment & protection from danger and *temptation*. Share the unending love and the power of God’s promises for eternal life

Jy Friend. Think about things you do with friends that you enjoy. Going out to eat, taking a walk, visiting over a cup of tea, shopping, talking or texting.

Friends can help you with all sorts of things:

When have you had some time with a friend where you were helping or being helped by their experiences or teaching.

Let’s share about what characteristics a good friend would have.

Our Father, who is in Heaven, Holy is your Name. Thy kingdom come, Thy will be done, on Earth as it is in Heaven. Give us this day, our Daily Bread. Forgive Us our Trespasses, as WE Forgive those who Trespass against Us. Lead Us not into Temptation. Deliver US from Evil. For thine is the KINGDOM, the POWER and the GLORY. FOREVER AMEN

Grilled Cheese Share the Love with Heart Shapes to remind us of God’s UNENDING LOVE.

Noah & The Flood-Genesis 7:1-8:13

7 The LORD said to Noah, “Go into the ark, you and all your household, for I have seen that you alone are righteous before me in this generation.” ... **5 And Noah did all that the LORD had commanded him.** **6** Noah was six hundred years old when the flood of waters came on the earth...on that day all the fountains of the great deep burst forth, and the windows of the heavens were opened... **17** The flood continued forty days on the earth; and the waters increased, and bore up the ark, and it rose high above the earth. **19** The waters swelled so mightily on the earth that all the high mountains under the whole heaven were covered; **21** And all flesh died that moved hi, and all human beings; **22** everything on dry land in whose nostrils was the breath of life died. Only Noah was left, and those that were with him in the ark. **24** And the

waters swelled on the earth for one hundred fifty days. **8** But God remembered Noah...and made a wind blow over the earth until the water went down. **2** the wells of water under the earth and the windows of the heavens were shut. And it stopped raining. **3** The water kept moving away from the earth. At the end of 150 days... **4** the ark came to rest on Mount Ararat. **5** The water kept on going down until... the tops of the mountains could be seen. **6** At the end of 40 days, Noah opened the window of the ark... **8** he sent out a dove, to see if the water was gone from the ground. **9** But the dove found no place to rest, for the water was still over the earth. **10** He **waited** another seven days, and sent the dove from the boat again. **11** The dove returned to him in the evening. In her mouth was an olive leaf that had just been picked. So Noah knew that the water had gone from the earth. **12** Then he **waited** another seven days, and sent out the dove. But she did not return to him again. **13** In his years of age at 601, the water was dried up from the earth. Noah took the covering off the ark, and looked out and saw that the earth was dry.
